Offer Corporate co-operation, firm cooperation

Computer school

I am looking for a cooperation partner to set up a computer school. The potential partner should be able to cover the subject of the DTP/Multimedia in terms of content.

The project is in its infancy and it is possible to establish it as an initial "2nd mainstay."

For more information, please contact a face-to-face interview.

Co-operation

Region 88, Germany

Entry in own name
