Online Shop for Car Parts/car spare and Wear Parts

For Sale is an online Shop for cars, which has been operating on the Market for 15 Years & #8208; Replacement & #8208; and Consumables. The long-term Presence in the Market currently ensures an excellent Placement Of relevant Keywords and Search Phrases of individual Articles and Product Groups in the Google & #8208; Search Results.

The Shop system is a complete In-house development with Interfaces to the TecDoc web service (automotive and Parts data) and the Web Service of the Wholesale partner (current Availability information).

There is also connectivity to a fulfillment service provider for Packaging, Invoice printing and Shipping.
