ID 18412

## Offer Liquidation, Operating dissolution **Import**

Product/Company for sale for reasons of time.

The offer is a product imported from the United States specifically designed for seniors, rehabilitation centers, and facilities for people with disabilities.

The product is unique in this form in Europe.

It is a quality of great quality and meets the European CE and A4 standards.

All documents, instructions for use and brochure, are translated and available in larger quantities. For a better presentation, there are also specially made folding folders and business cards already available. Even the text templates for the press texts already exist.

There is a professional website including shop. The Domaine is registered and is transferred.

Flags and banners for presentations have already been produced.

Logos are all available as data files.

A warehouse worth about 20,000 euros is available.
