I want to start an online business and am looking for a suitable Partner for it. The Aim is to Set up and Operate an online shop with "very special" Products (e.g. Individual Pieces, handmade Products, small Editions, etc.) with high Unique selling Points. The Prerequisite for this entrepreneurial Start-up is a high Affinity for the Topics "Lifestyle, design, Beautiful Things," some Capital, as well as ideally corresponding Contacts with Suppliers. Ask for Letters from "passionate" comrades-in-arms with Will to Succeed. Infrastructure such as Office, Shipping Hall, etc. already in place.
