## **Airport**

Airport

We are looking for Venture Capitalists to take Majority stakes in a Northern German Regional airport. This is located in a tourist-well-developed Region.

It is Attached to PUBLIC TRANSPORT such as Train, Bus, Taxi and Motorway. It is also already served by a Low-Cost Airline from four Destinations.

A Concept already exists to develop the Airport in the long Term after Restructuring and Staff reduction, based on the current Volume of traffic, and to ensure economic Operation in the medium term.

The Airport already has a solid basic infrastructure such as a Travel Agency with a well-known car Rental company, an Airport restaurant as well as a Bistro. All three Facilities are run by private Entrepreneurs. For Passengers, there is a travel value shop (Duty Free) in the Departures area.
