

The big business marketplace

Business for sale more than 15 years

ID 18674

Offer Corporate participation, firm participation

Mice Portal

I am looking for a partner for an Mice portal, the portal is 90% finished and the business plan also exists. The portal was developed in a very modern web environment, Angular2, Html and WebApi.

The goal is to establish an independent limited liability company, which deals with the distribution of the portal and its further development.

[Participation](#)

Region 51, Germany

Entry in own name
