Sports Shop

Well-going Sports Business (Running, Cycling, Swimming and Triathlon) is looking for a Long-term successor to continue the successful Concept in the medium/long term.

A gentle Handover of the Shops is possible.

Since we have about 60% Swiss Clientele, this would also be a Way for a Swiss Investor to reach his own Clientele again.

The Shop consists of 250 m² plus Workshop and Warehouse for Rent.

The Border Location is also perfect for Exporting the Goods to Switzerland.
