Reform House with perfumery and cosmetics studio

The takeover is subject to a shop for reformers and addition to natural cosmetics products, medical specialist cosmetics are offered.

The store covers 202 sqm, of which 50 square meters are storage space. It has three storefronts and two customer parking spaces in a 1a location of a small southern German town with about 14000 egg dwellers.

Annual sales over the last three years have been consistently over 400 TE. We are looking for a successor to the
