

The big business marketplace

Business for sale more than 15 years

ID 18761

Look for Corporate financing, investor **Services**

We are looking for one or more investors to create our platform. Overall, we offer a 10% stake for your deposit.

We want to combine two business models in our platform, both of which have been successful for many years.

If we have aroused your interest with this very rough description, we would be very happy to receive a message.

Capital

Region 80, Germany

Entry in own name
