Look for Corporate participation, firm participation

## **Property Management/Property Management**

We would like to expand our Business activities in the real estate Sector in the Metropolitan region of Frankfurt/Rhine-Main And Would therefore like to participate in a Real estate management/property management (activata-passive). Alternatively, we are interested in Acquiring an Administration (Client portfolio, Organization, employee).

We are currently active in the Areas of Real estate Marketing and Property Management.

### Participation

Region 60, Germany

Entry in own name
