

The big business marketplace

Business for sale more than 15 years

ID 18784

Offer Corporate sales, firm sales, sales **Entrepreneur**

For health reasons, we sell the online retailer baby equipment and children's toys, which have been very well launched since .

The shop is listed on a legally secure platform.

Payment is made without the risk of default.

A customer base of about 1350 customers is taken over.

Shipping takes place throughout Europe.

There are a large number of direct manufacturers.

As a result, various surcharges are omitted.

An induction time with all know-how is guaranteed.

This company was created with a lot of passion, the induction easy to handle.

A fixed location is not necessary, as the goods are sent directly to the company's location by the manufacturers.
