## Offer Corporate sales, firm sales, sales **Yacht Charter Center boatyard**

Because of their age, we want to sell to retire and our shipyard and charter Center. You can expect a versatile area of responsibility. Your task and center of life would Aero in the Danish South Sea.

We are a small, independent company with its own charter boats, not an agency. We build, manage and charter our ships themselves.

Even a partial sale is possible, eg. As the only charter operation or the boatyard.

Even a partial takeover of the charter fleet is possible.

There are offices and technical skills required.
