Long-established Management consultancy, Rechtsform GmbH,-in (City Border with Dortmund)-for reasons of age and illness for reasons of age and illness.

Our Company is active in traditional Human resources management. However, we focus on human resources consulting, and here primarily with recruitment. Specialists and Executives, Candidates from all Sectors as well as Follow-up Applications are among our daily Activities. In previous Years, we also looked at Vulnerability analysis.

The long-term Demand for Employees, not only in the higher-value segment, offers interesting Opportunities to secure Market Potential for well-known Companies.

A Software Solution effectively supports all Brokerage Processes and finds the right Employees for interested Employers.

In Addition, all services of a modern Personnel service Provider can be offered under the Company name.
