## Look for Corporate participation, firm participation **Music**

Music production music management and music publisher

Find a business partner for music productions who participates financially in music production costs.

I have been in the music business for many years

Have produced several Cd, s.

Had a record deal and was also in the Bertelsmann club catalogue

At that time, 4 million.

My CD, s were sold worldwide.

It is very likely to appear again at Bertelsmann in the club booklet.

(Contacts present)

Am now free again and can use my CD, s

Also offer themselves via the Internet.

No longer dependent on record labels.

Or good contract ev with new CD.

Direct sales also possible to distributors without a record company.
