

The big business marketplace

Business for sale more than 15 years

ID 18922

Look for Corporate financing, investor

Vegan Hotel

It will be a completely new Hotel concept which includes the plant based living. We have got already a running business and because of the popularity we need more space. We have found the perfect property what has been recently renovated and refurbished. So it only would be buying the property and start the project and earning money from the first day on. Concept, name and registered trademark exists already. If you are interested dont hesitate to contact us for further information.

Capital

Region 07, Spain
