## Offer Corporate sales, firm sales, sales **Shop for fancy children's fashion**

Since , we have been selling high-quality children's fashion for babies and children, size range 56-164.

Our fashion is colorful and fancy, yet functional and suitable for everyday use.

It is precisely this combination that makes the customer feel like they are buying not just a garment, but a sense of life.

We have been granted territorial protection on the part of various fashion companies. Various labels are not available to buy online.

The boutique has a high recognition value from the very beginning due to the carefully thought-out and consistently implemented corporate identity.

The store offered for sale is located in a very good 1A running position in the middle of the main shopping street.

Direct frequency bringers are the station, the bus station, the obstatal and children's clinic. There are no comparable competitive shops in the city.

The store should be handed over as soon as possible for personal reasons.
