ID 19075

Look for Corporate follow-up, firm follow-up, follow-up **Software**

Ideal for VFP programmers with Marketing Experience: SW for Clubs-1200 Users nationwide. Partial Maintenance Contracts. Written in VFP (Visual FoxPro), updated to 9.0. Source codes available

Contact to low-cost VFP programmers in Romania can be communicated IF they cannot program VFP themselves. Help and Familiarisation with Takeover is a matter of course. Programs have high Potential because very hands-on. Club accounting is in Use by large Associations such as some SoVD national associations and its Subdivisions. The Member Administration Covers almost all the Needs of an Association including SEPA collection.
