Offer Corporate sales, firm sales, sales **Cafe**

Because of illness we are looking for our great restaurant a good successor. Our local was able to increase its sales and earnings consistently. With a return of 24% yields are above average. The customers consist about 60% of tourists and winter visitors. Besides located behind a glass wall kitchen and an attractive guest room the restaurant has a well-kept outdoor terrace overlooking the Botanical Gardens in . The restaurant is ideal for investors or individuals with Branchenerfahrung in the field of gastronomy. In the north of Tenerife annually wintering more than 15,000 German and 12,000 British. About 6 mils. Tourists visit Tenerife each year. Because of the special status of the Canary Islands, the capital gains tax is very low. Tenerife has the largest Canary Island all the infrastructures as we know it from big cities and metropolitan ago.
