Offer Corporate participation, firm participation

Real estate firm

The company is to be founded in a timely manner. The shareholding depends on the amount of the deposit. The deposit must be at least 5,000 euros, but may also be higher. The company buys real estate and generates a return by renting and buying/selling/renovating further properties, which is paid out again to the shareholders in the amount of the deposit. The properties are held in the company's assets and can be viewed at any time.
