Look for Corporate participation, firm participation

Cafe

Female, 55 years, freelance for more than 20 years, successfully active in the service sector, is looking for active participation, business/company, in the /area for the purpose of reorientation. From the home office also very happy.

Since I'm flexible and willing to learn, you can suggest any kind of business to me.

If you are interested in making an offer to me, I would ask you to inform me in writing of your idea of the entry sum and your web address, if any.

Only meaningful and honestly meant offers are answered.

Thank you and maybe see you soon.
