

The big business marketplace

Business for sale more than 15 years

ID 19376

Look for Corporate participation, firm participation

Textile Online Retail

BEE in Fashion is our small Start-up Company, which is still in its Infancy but is ready to grow fast and healthy and grow big, because all the Potential Is there but the necessary capital is lacking.

We are in the Construction Phase and have established all Business Connections with large Manufacturers in Turkey. Now we are looking for a partner for the Implementation or Start.

BEE in Fashion is our Startup company in the Field of online retail.
