Look for Corporate participation, firm participation

Advertising and Communication

I am the Owner of an Agency for Advertising, Communication Management and Brand Development with a Focus on Healthcare Marketing. Our Employee Structure is currently being converted to a pure freelance system with the Aim of increasing the Development of the area of strategic Consulting and contributing the creative Part as Required. My own Areas of activity are strategy, Concept and Text. In order to Cooperate, participate or Merge, I am looking for a Partner who complements my Skills in the best possible way and wants to look forward together. Because two Shoulders mount more than one. I look forward to Getting in Touch with you.
