## Offer Corporate participation, firm participation **Stationery**

I offer a Stake in a newly founded company in the P-B-S Industry.

In addition to Retail and Online retailing, I want to realize a new Idea that can also be transferred to other Industries.

The Controlling System is a new Innovative Idea in the Field of Office, Stationery and Merchandise management, which allows traders and Employees to focus on their Core Tasks and do not request their valuable Time with Orders And Sourcing the required Office To waste Consumables.

The Controlling System is designed specifically for small to medium-sized Enterprises Developed. From Architecture Firm, to Community Practices, to Administration The System Industry independently offers its Advantages.

I rejoice in every Answer.
