## Offer Corporate sales, firm sales, sales **Educational institutions**

We are a very well established education companies with multiple locations in Berlin and Brandenburg. (In the last three years, we have an average annual turnover of € 650,000 earned).

Our cooperation with the different job centers has towards our profile in recent years on developing special concepts for severely disabled people, mentally ill and very difficult to employ people and pave a way for them in the labor market. We were able to achieve market leadership in this segment. In addition to these key market sectors, we offer training courses in the field of nursing and PC lessons. Migrants are funded courses for literacy. Customers can be coached about funded Gutscheide or for a surcharge of our employees in the various sectors. For personal reasons we are looking for a dedicated successor. The representative, rented premises, inventory and the customer base and revenues are also on sale as extensive training. The main location of the educational institution is located centrally in Koenigs Wusterhausen with direct S-Bahn and in Berlin Charlottenburg and Berlin Pankow. Another opening of an office in Potsdam is planned for early th
