

The big business marketplace

Business for sale more than 15 years

ID 19626

Offer Corporate co-operation, firm cooperation

Vehicle maintenance

Alone in a market niche of vehicle maintenance.

Founded after private invention 14 years ago and traded exclusively in the vintage car sector. However, the market potential is so broad-and demand from the trade shows this-that the appropriate cooperation partner can act successfully.

The trade fair business alone is a livelihood.

The whole company is virtually structured and can be controlled from anywhere in the world:

No employees

Supplier chain exists

Production partners in Europe and Asia

We are not talking about current sales, but about your plans and their implementation-and your findings, including participation if necessary

[Co-operation](#)

Region 85, Germany

Entry in own name
