Offer Corporate follow-up, firm follow-up, follow-up **Online Community**

With 200.000+ members we are one of the biggest communities in Germany and Austria and grow weekly. All Facebook groups and pages refer to topics of apartment search, shared apartments and other related small ads.

The members are very active and there is a high fluctuation guaranteeing the high affinity and relevance to the apartment search. This results in high interaction with all related posts.

Take over this community and profit from our long experience in online marketing and community management.
