---

ID 19736

Offer Corporate follow-up, firm follow-up, follow-up

## **Production Design Microstone Motors**

We are an established company with a focus on small drive and electric motors-design and construction are also carried out by us, our productions are all located in the Far East.

Not only do we want to expand, we are also looking for a sensible further cooperation in our field.

Sale or handover is excluded, we are looking for a partner who already has experience in our field and wants to cooperate with us, then please contact me ...
