We are Looking For an investor partner for a gastronomy project in a Museum. Concept and Planning have so far been completed.

I've been working as a Chef for 25 Years. During this Time I was able to gain a wide Range of experiences, in many Areas of Gastronomy. For the last 15 Years, my Activity has always been in a senior Position.

Now there is the Possibility to take over a Company for which I have worked for 7 Years. The Operator is located in a Museum and is well positioned.

Unfortunately, some of them, I do not have the Financial Resources. Most of the Amount I'm missing is needed to Redeem the Inventory.
