The whole World of Paper

From handmade Papers by Japanese Farmers to modern quality Products.

They are Artists, looking for their ideal second Mainstay.

They like products from an ancient Craftsmanship, want to spend their Future On them.

You can expect a well-stocked Camp-even exquisite Rarities are not missing-

Equally valuable Knowledge and Experience with this ancient Natural product.

Decades of Work, the Love of the Product, have left deeper Insights, and they are also gladly passed on.

The Customer and Supplier File Contains Worldwide business Customers and also personally visited Contacts in Asia.

The Camp is located in the Heart of Munich, it can be used-but not must. There is no Location Retention and no Employee takeover.
