## **Food Truck**

For Health Reasons, we unfortunately have to sell our beloved Food Truck (Smoked Pulled Pork and Smoked Ribs).

Since the Food Truck was operated Throughout Germany, it has a high profile and Recognition Value (Branding)

Thanks to its Mobility, it can also be used and operated at any Location. The new Owner can start selling immediately, and the food Truck can also be used as a second Mainstay.

The Process has been simplified by us in such a way that anyone without much Prior Knowledge can operate this Food Truck. However, We guarantee a one-month Training, in the Preparation and Sale of the Food.

The Company comes with two new-look and fully equipped Vehicles, 4 Smokers, all Recipes, Facebook, Twitter and Website Accounts.
