Offer Corporate sales, firm sales, sales **Online Shop Dropshipping**

In order to be able to rededicate ourselves to our Core Business, we offer our online shop here for Takeover.

The Shop is ready to be set up, can go online immediately. It is for Sale with a Merchandise Management system that controls everything: Item Maintenance including Connection to Amazon and Ebay, Inventory maintenance with suppliers, delivery and Invoice delivery to Customers.

Shipping is done via Dropshipping, so no dedicated warehouse is necessary.

The Shop deals with Products from the RC vehicles sector and other electronic children's cars.
