Fish Spa with beauty studio

I offer a stake for a well-launched with a beauty studio. Since I am myself an industry non-industry, I prefer someone who comes from the cosmetics industry or already has experience.

In Germany, s are still a rarity due to the strict but feasible requirements. The studio is well equipped with 6 aquariums and two cosmetic rooms and is centrally located in . The corner shop has a large storefront and is located directly between the ColiniCenter and the city center. A tram stop is also at the door. The concept is unique and cost-covering after a short period of time. Regular customers as well as a well-functioning online shop are also available.

The price award is 27,500 Euro VHB and includes participation in the complete inventory (aquariums including technology, cosmetics loungers, foot care equipment, furnishings, graphics, website including online shop, etc.)
