ID 19983

## Look for Corporate financing, investor **Installations**

We are a Service Partner of a well-known German Measurement Service Provider and work on a relatively large Area with several Collaborations. The continuous Increase in the Order situation protects us From sales costs between 60% and 150%.

In Addition, we have taken over the workback customer service Within about 100 km of The Company's Headquarters for a well-known manufacturer of Pellet heaters.

In the short term, we are looking for Capital in order to realize further Growth. BWA-BWA) can be presented.

The capital required is €125,000 and is repaid with a Interest Rate of 10% over 10 Years.

### Capital

Region 33, Germany
