For private reasons, regulated succession for an attractive kitchen studio.

The property is located near Hanover, in an attractive location to other retailers and has a sales area of about 200m².

The attractively equipped kitchen studio impresses with a new kitchen exhibition from 2018. The kitchen studio is part of an established and excellent franchise system. As a result, the successor benefits from exclusive territorial protection and a catchment area that covers more than 100,000 households and reaches as far as the city limits of Hanover. The kitchen studio is known for excellent service, high customer satisfaction and then benefits from good recommendation rates in the region. The current owner is currently being supported by a qualified, trained kitchen specialist consultant. The business premises are rented.
