Hotel

Resort & Spa****superior 4-Star superior complex that functions as an all-in-one spa, wellness, conference centre and children-friendly hotel. The hotel is located on a land lease right along the lakeshore of Lake Velence, just 45 km from Budapest, which is ideal for taking advantage of the Mice segment. This operating Hotel has the perfect combination of number of rooms, conferencing facilities, good location and the variety of services. With regards to the location, the restaurants, the balconies of the rooms and the conference areas offer a spectacular view of Lake Velence and the surrounding hills.
