

The big business marketplace

Business for sale more than 15 years

ID 20114

Look for Corporate financing, investor **Bicycle and car courier**

We are a bicycle and car courier and the environmental idea is very important to us that we are always stepping ahead. We have turned our hobby into a profession. And now we are looking for not only an investor but the investor who will support us. If they are interested now for more info we would be happy if they would come forward thanks to many.
