

The big business marketplace

Business for sale more than 15 years

ID 20148

Look for Corporate follow-up, firm follow-up, follow-up

Mechanical engineering

We are looking for stable, profitable medium-sized companies for sale with a turnover of between EUR 5 million and EUR 100 million.

We are experienced entrepreneurs and are involved in the management of the Advisory Board and in succession situations from day on. In addition, we offer digitization expertise. We are not a private equity fund, we want to keep the stake indefinitely and can finance the purchase price with equity.

Succession

Region 48, Germany

Entry in own name
