Online Retail Brands Designer furniture

We are an Online & #8208; Retail for Brands Designer Furniture, predominantly Design Classics and luxurious Furnishings. Founded in , we generate annual Sales of more than €350,000m and are profitable From the Start with an 18% Return on sales. Our Business Model is based on a Niche in selective Distribution of world-renowned Furniture Brands. We offer our Customers a unique Price Advantage of 10% in some cases for price-based Products. A lean and seo optimized distribution System, Woocommerce, JTL, high Shopping Basket Values and a low Return rate offer high potential for Scaling up-even internationally.
