Look for Corporate follow-up, firm follow-up, follow-up **Trade Production**

Finally your own boss. The time has come to tackle this dream.

Don't have a successor to your business? Maybe I'm the appropriate candidate. Over the last few years, I have been working successfully as a specialist and manager in the areas of marketing and sales. The main focus was the development and expansion of online distribution structures.

Search now from the areas of trade, production, service a suitable company for takeover or active participation. I particularly find niche products for specific target groups interesting. I would like to acquire a lack of product or industry knowledge through a detailed training and accompanied handover.
