Look for Corporate financing, investor **Food-Truck and Catering**

We, an established company from the industry street food and catering are looking for growth capital.

The company owns a fully equipped street food truck, several small catering vehicles and a complete preparation kitchen. The focus is on Italian cuisine and pizza.

The catering vehicles currently have a very good to full capacity. There are orders to months.

There are already several attractive locations for the street food truck in the Heilbronn district for the lunch break.

The street food and catering industry is currently experiencing very high growth. The returns are far above the gastronomical average.

In order to expand our business further, we are looking for investors and offer a high rate of return and security.

Required capital: € 100,000, individual investors from € 10,000.

We can present the following forms of participation:

- Silent participation with a maturity of 6 years, 8% interest p.A. on the capital and 1% profit participation per 10T € stake
- Pure loan with an interest rate of 6% p.A. and collateral over food truck or landfill
- Direct participation in the GmbH with pure profit participation
