Offer Corporate sales, firm sales, sales **Astroportal**

Well-established astroportal for card laying, clairvoyance, astrology & more for sale.

Unfortunately, due to lack of time, it is no longer possible for me to supervise the portal extensively in the future, which is why I sell it. (The family business had to be taken over immediately-both business is not going on in time.)

The portal should be sold in a timely manner.

The portal has been on the grid for more than 18 months and achieves good sales-about 2,000 euros upwards open every month with good support.

The sale price includes:-Gut led Facebook page with just under 400 fans.

-Website & website mobile, domain company logo no website rental.
