Sports Marketing

In Times of exuberant Transfer revenue in the international Football Business, it would make sense to cut us off a Slice of this.

I plan to Set up and Operate a football boarding school for young Athletes from SEA in Indonesia.

In Cooperation with an internationally experienced football teacher, we will develop Talents and market them internationally.

The Potential is Huge.

Capital Demand around: 10.000.000 An attractive Interest Rate will result from the Income from the international Marketing Of Talent.
