

The big business marketplace

Business for sale more than 15 years

ID 20372

Offer Geschäftsidee, Geschäftsmodell **Distribution of digital products**

We offer a solution to start a wholesale of digital products (i.e. software, games, ebooks, voucher, ...).

Part of the offer is a complete cloud based software solution, which makes to business totally independent of a location.

If requested we'll be happy to offer contacts to various suppliers in Germany and Europe.
