

The big business marketplace

Business for sale more than 15 years

ID 20375

Offer Corporate sales, firm sales, sales **Tires Trade**

Tyre trading and assembly-successors wanted.

Description

After more than 40 years of working in the field of tire trading, storage and tyre assembly, we now want to relinquish our company into younger hands.

The existing private and corporate customers ensure a good order situation. The connection to a dealer network offers excellent support in many areas (purchasing, advertising, further education ...).

The rented company premises in the Stuttgart region are centrally located on a thoroughfare. The motorway is about 1 km away. There is a workshop with two lifts. The expansion of the business operations into a car repair shop is conceivable.
