Look for Corporate participation, firm participation

## **Education Long-distance courses**

Long-distance courses with approval We are looking for ready-made long-distance courses from all areas.

We are happy and about any offer with concrete prices.

As an educational company and licensed educational institution in North Rhine-Westphalia, we specialise in the education and training of pedagogical staff.

Our education and training courses are recognised. Participants can be supported through the education voucher or as self-payer.

### [Participation](#)

Region 59, Germany

Entry in own name
