Look for Corporate financing, investor

Car repair, free car workshop

For the takeover of a car repair operation (ongoing operation.) in a good location, I am looking for capital gains/shareholders for the (partial) financing of company equipment. The company has been in the Mannheim area for more than 20 years and is well established. Customer base is there.

Business plan and company concept are in place. Equity is also available.

All the necessary qualifications as well as several years of experience in the workshop area are available. Options: Silence or Active Participation or (Part) Financing.

Conditions: Interest rate 5%, maturity 48 to 60 months.

Please only reputable offers. Have no interest in franchise concepts. Don't distribute free company concepts either.
