ID 20446

Look for Corporate financing, investor **Advertising**

We are consultants and suppliers of ideas for projects and can cover the entire logistical area, including individual webshop solutions for promotional articles of our customers. The spectrum of our customers ranges from small and medium-sized enterprises to DAX companies and is well diversified in terms of industry-related areas.

We provide all services related to promotional items and promotional textiles that can be tailored to the specific needs of our customers.

The office is completely paperless in merchandise management and also in accounting. The merchandise industry has been further and further optimized, so that significantly less staff deployment is necessary than two years ago.

The €250,000 will be paid off at €50,000 p.a. and interest at 6% p.a.
