## Offer Corporate sales, firm sales, sales **Heating plumbing**

The company for sale enjoys a high profile and a very good reputation in the region. The company offers a wide range of sanitary, heating, ventilation and solar services combined with repair and maintenance services. The share of regular customers, consisting of end users and commercial customers, is above average. Due to the high level of awareness, attracting new customers is proving to be unproblematic. It is a high-turnover company, which is offered below the calculated company value and thus offers the buyer a very good start to self-employment.
