## Offer Corporate sales, firm sales, sales **Restaurant**

An old factory building has been converted into a stylishly modern restaurant. The guest can expect a unique, cosy ambience with high-quality equipment, in which he is pampered with culinary delights of the upper class. The restaurant, including a heated conservatory, seats around 85. In summer and on warm spring and autumn days, a further 40 seats are available on the terrace. The restaurant enjoys great popularity at all times of the year and has a high number of regular guests. The atmospheric rooms are also used as a venue for weddings, corporate parties, birthdays, etc. If necessary, the current owner will provide the entire premises for individual appointments. There are plenty of parking spaces for guests right in front of the entrance.
