Business for sale more than 15 years

ID 20492

Offer Corporate sales, firm sales, sales **Autoservice**

The company for sale is a specialist company in the field of car service. All typical services in this industry are performed by qualified, motivated and customer-oriented employees at the highest level.

The offer is complemented by a car wash including SB washing places, which creates positive synergy effects.

In addition, the company offers a professional workshop service for caravans and caravans of various brands.

As a result of these additional services, the company clearly sets itself apart from its competitors. This leads to a high level of customer satisfaction, which is also reflected in the above-average share of regular customer customers (95%). Shows.

The buyer takes over a solid and well-positioned company with good returns, which are immediately in the right position. Infiltration by the current owner is assured on request.
